## SWWDTP Memory Studies Research Cluster

# Work-in-progress lunchtime seminar series

every second Wednesday of the month, 1-2pm

November 2021 – May 2022

The SWWDTP Memory Studies Research Cluster is looking for contributions of short (5-10 minute) presentations to its new monthly work-in-progress lunchtime seminar series. These seminars will be held on the second Wednesday of the month, and will be an opportunity for PhD students and other researchers across the field of memory studies to meet, discuss and receive feedback on their research, or simply discuss a reading or theme they are interested in. They are intended to be very informal and friendly, and we particularly welcome people just starting out in their research.

Meetings will be held online via zoom, and everyone is welcome to attend. Please email [ir299@exeter.ac.uk](mailto:ir299@exeter.ac.uk) if you would like to be added to the mailing list.
